I saw this idea on Pinterest and loved it. Unfortunately it was just an image on Pinterest so I don't know who to give credit to. Regardless, I knew we had to try it out on our next camping trip.

Camping Hand Washing Station - Making Memories With Your Kids

False memories are a normal occurrence and they will generally have little impact on our lives. In rare cases, however, a false memory can bother a person.

False Memories - Psychologist World

Memories, especially joyful ones, fortify relationships and ensure their endurance, even through difficult times. We really don't "plan" on creating happy memories, they just seem to happen, yet we'd all like it if we knew we could have more of them. But how do we go about intentionally making that happen? Following are 7 ways to break out of your routine, enliven your relationships ...

7 Ways to Strengthen Relationships and Create Lasting Memories

Staff fulfillment. Member engagement. Credit union excellence. Your credit union, your members and your staff are all closely interconnected. To achieve meaningful growth and success, you need to foster an environment where the most important part of your credit union - its people -- share a feeling of engagement and excitement towards their role in your organization.

Making a Memory Book for Alzheimer's

A false memory is a psychological phenomenon where a person recalls something that did not happen or that something happened differently from the way it happened.. This phenomenon was initially investigated by psychological pioneers Pierre Janet and Sigmund Freud. Elizabeth Loftus has, since her debuting research project in 1974, been a lead researcher in memory recovery and false memories.

False memory - Wikipedia
