Only The Ring Finger Knows

First – Right Hand vs. Left Hand. For the most part there aren't any steadfast rules about which hand you wear your ring (s) on. Engagement and wedding rings are exceptions — there are a lot of specific cultural traditions — but at the end of the day there are so many cultural traditions that it becomes an anything-goes situation anywhere that's not completely homogeneous.

The middle finger gesture was used in ancient times as a symbol of sexual intercourse, in a manner meant to degrade, intimidate and threaten the individual receiving the gesture. It also represented the phallus, with the fingers next to the middle finger representing testicles; from its close association, the gesture may have assumed apotropaic potency.
