By the time you're finished reading this article your weed knowledge will go from "grandma" to "Snoop Dogg". I think you'll agree with me when I say that cannabis culture can be confusing at first. You've probably seen it yourself — there are hundreds of different products and consumption methods, which makes it hard to find a good place to start.

### **What is Weed? Your Complete Guide to Understanding Cannabis**

Unfortunately, that reading of 600 ng/dl means almost nothing. Testing for testosterone is rife with inconsistencies. Blood values of testosterone vary by the minute and the day. The only way to get a reasonably accurate reading would be to collect urine over a 24-hour period and have the lab use it ...
