Marriage in Pakistan (Urdu: شادی پاکستانی ) pertains to wedding traditions established and adhered by Pakistani men and women. Despite their local and regional variations, marriages in Pakistan generally follow Islamic marital jurisprudence. Culturally, marriages are not only seen as a union between a husband and a wife, but also an alliance between their respective families.

In this April 14, 2019 photo, Mahek Liaqat, who married a Chinese national, shows her marriage certificate in Gujranwala, Pakistan. Poor Pakistani Christian girls are being lured into marriages with Chinese men, whom they are told are Christian and wealthy only to end up trapped in China, married to men who are neither Christian nor well-to-do, and some are unable to return home.

I just feel like this needs to be said: Girls with lots of body/facial hair are beautiful.. Girls with thick leg and arm hair are beautiful.. Girls with happy trails are beautiful.. Girls with big sideburns and moustaches and monobrows are beautiful.. And having these things does not make them any less of a woman.

Acculturation and Assimilation Very little has been written about the Pakistani American community. Many scholars writing about ethnic communities in the United States tend to lump the community together with the larger Asian Indian community, thereby glossing over the distinctiveness of the Pakistani Americans.
