The Pacers proved in the early going this season that their 2017/18 success was no fluke, then proved they were capable of winning games without their star player after Victor Oladipo went down with a season-ending quad injury. Ultimately, the Oladipo-less Pacers couldn't make any noise in the playoffs, but there's plenty of reason for optimism as they enter an important offseason.

The following profiles are of real life individuals that I've interviewed. I have known many of these folks for more than a decade. Although a couple of these profiles might sound like fantasies, they are all real people and I describe their actual retreat set-ups. I have slightly fictionalized some details, but merely to protect their anonymity.
