

Warp Labels Unlimited

Warp Labels Unlimited

Warp (also known as Warp Records) is an English independent record label, founded in Sheffield in 1989 by record store workers Steve Beckett, Rob Mitchell and record producer Robert Gordon. It is currently based in London.. In the 1990s, the label became associated with experimental electronic styles such as intelligent dance music, and served as the home of a variety of acclaimed and ...

Denim is a strong, durable fabric constructed in a twill weave with indigo and white yarns. The blue/indigo yarns are the lengthwise or "warp" threads (parallel to the selvage). The white yarns run across the fabric width (the weft threads). Denim is traditionally woven with 100%-cotton yarn; however, today it's blended with polyester, to control shrinkage and wrinkles, and Lycra to add ...
