Author - Biography

Usage Note: The verb author has been criticized for its transitive use as an unnecessary or pretentious synonym of write, though note that it typically refers to the writing of material that has been published—and not to unpublished texts such as love letters or diaries. So the two words are not exact synonyms. The Usage Panel has tended to sympathize with the traditional view, but this ...

Author - definition of author by The Free Dictionary

Author. Author, one who is the source of some form of intellectual or creative work; especially, one who composes a book, article, poem, play, or other literary work intended for publication. Usually a distinction is made between an author and others (such as a compiler, an editor, or a translator) who assemble, organize,...
